## General conditions for the concession of Askia software license

### I. Subject

The company Askia gives the licensee the personal and non-transferable right for the use of the Askia software specified on the reverse of the order form.

### II. Definitive or annual license

The license will come into effect starting on the date of the signature of the present contract. In the case of an annual license, the licensee recognizes having had knowledge of the amount due for the annual license fee. Askia reserves the right to review the cost of this annual license fee and this fee should not exceed a 10% year-on-year increase based on the current fee. In case of non-payment of the annual license fee, the licensee agrees not to use the software for commercial purposes under risk of otherwise triggering legal action, and Askia also reserves itself the right to cease providing any assistance to the licensee. However, if the licensee wishes to conserve the software, Askia commits itself to grant a reduction on the acquisition price specified on the reverse of this document; this reduction is equivalent to 50% of the paid leases, within the limits of a threshold set at £1,000 GBP (excl. VAT).

The use of this license is limited in the number of positions it concerns. The number of positions is directly related to the number of license keys provided by Askia. Any act of counterfeiting or
